SUBJECT: *Second and third national validation of the draft Philippine Professional Standards for School Heads, and Philippine Professional Standards for Supervisors*

DATE: 8 July 2019

To complement the Philippine Professional Standards for Teachers (PPST) as a national policy reform aimed at developing its human capital, the Department of Education, through the Bureau of Human Resource and Organizational Development (BHROD) and the National Educators Academy of the Philippines (NEAP), in collaboration with the Philippine National Research Center for Teacher Quality (RCTQ), initiated the review and enhancement of the current National Competency-based Standards for School Heads (NCBS-SH) to address career progression and current thinking about school heads in the 21st century. A similar set of professional standards for supervisors has also been developed.

The draft Philippine Professional Standards for School Heads (hereinafter referred to as PPSSH) and the draft Philippine Professional Standards for Supervisors (hereinafter referred to as PPSS) have been validated in seven (7) regions (NCR, IV-A, V, VI, VII, VIII, and X) as of February 2019. In order to capture the views and aspirations of the professions at the national level, and to further refine the drafts, another round of validation shall be conducted to further gather quantitative and qualitative data. This shall be conducted by BHROD, NEAP, and the composite team comprised of RCTQ and the DepEd Technical Working Group (see **Enclosure #2** for the national validation assignments).
