Dear Dr. Tamayo:

Greetings of Peace!

As part of its outreach initiatives, Holy Angel University, through the Institute for Christian Formation and Social Integration (ICFSI), wishes to nurture partnership with the Department of Education-Division of Angeles City Schools by sponsoring a **CHARACTER EDUCATION SESSION** for parents and teachers from DepEd schools under the division. The session aims to supplement your existing character education initiatives for teachers and extend the ministry to parents. This will be offered in the form of a webinar via Zoom platform and will be live-streamed through the official Facebook page of Holy Angel University.

In this regard, may we request the participation of the class advisers from the elementary and secondary levels of the DepEd Division of Angeles City? The discussion will revolve around **Educating for Character for a Better Nation**. The one-and-a-half-hour session will provide inputs on the urgency of character formation and on strengthening of home-school partnership towards values formation. Moreover, the session will also offer practical tips for parents on how they can support their children's welfare as they strengthen family relationships and values formation at home.

We will coordinate with the speaker from the Character Education Philippines (CEP) whether the session will be recorded or live-streamed. Our suggested date is **February 24, 2022**; nonetheless, we can request the speaker to provide a pre-recording of the talk so we can flexibly set the schedule at your most convenient time within the third week of March until April.

Should you approve, please, let us know of your preferred schedule so we can make the necessary preparations for the webinar. I can be reached through email: lyson@hau.edu.ph

Hoping for your favorable response. God bless you and our fellow character formators in the Division of Angeles City. *Laus Deo semper!*

Sincerely,

Ms. Lorna S. Tyson
CEP Officer
