DIVISION MEMORANDUM

No. 208, s. 2022

Division Training on **Management Of Urgent Tooth acHe (MOUTH)**

To: Heads of Public Schools

1. The Schools Division of Angeles City, through the School Health and Nutrition Unit will conduct a Division Training on Management Of Urgent Tooth acHe on **June 8, 2022, Wednesday 8:00a.m.-12:00 nn. at Angeles City National Trade School Conference Hall.**
2. The activity aims to:
 - train the clinic teacher per school on how to manage basic first aid dental health care and emergency dental health situations.
 - provide the clinic teachers with the basic knowledge to respond to dental health emergencies and develop a positive attitude and awareness of oral health care.
 - equip clinic teachers with the skills in promoting, maintaining, and protecting the health care of the learners.
 - provide the clinic teachers the guidelines to help the learners be aware of the proper oral health care.
3. The participants are the designated school clinic teachers.
4. Immediate dissemination of and strict compliance to this Memorandum is desired.
