SYNOPSIS

Vera is an ambitious woman from the province who dreams of making it big in Manila as a beauty queen. But when she gets pregnant at a young age, all her dreams are shattered. Left with a baby in her belly and no husband, she stays in the province and goes on with her normal life. When her son, Marco, is born, she leaves him with her best friend Martina. With nothing but her hopes and perseverance, Vera abandons her son and goes to Manila to follow her dreams of being rich and powerful.

Martina, afraid that she won't be able to take care of baby Marco with her meager income, passes him on to another friend, Carlito, who willingly accepts baby Marco. Twins Carlito and Carlita, a gay and lesbian, takes care of Marco like a real son and Marco grows up loving Carlito and Carlita like a real father and mother.

Sixteen years pass. Vera is now married to a rich and powerful politician, Oscar. Martina now works as Vera's assistant. Vera and Oscar have an adoptive daughter, Danica, who, despite being given a good life, grows up unhappy and sometimes rebellious.

Vera and Martina never discuss Marco. As far as they're concerned, that event never happened. It's a dark secret that they intend to keep.

Meanwhile, Carlito and Marco, along with Carlito's and his sister, decide to migrate to Manila for greener pastures. Marco enrolls in a high school in the city while Carlito and his sister Carlita continue their mobile store business.

By a strange twist of fate, Carlita and Marco quite literally bump into Vera in a car accident. Things get complicated when Martina learns that Carlita and Marco are now living in Manila. Suddenly, their secret is not so safe anymore. And to make matters worse for Martina, Marco and Danica meet in school and start having feelings for each other.

You can leave your past behind but your past catches up with you. In a hilarious but touching turn of events, mistakes will be corrected, offenses will be forgiven and families will be reunited. Motherhood has a lot of different faces but all are synonymous with only one thing: unselfishness. Ito ang Buhay Nanay.

This story tackled GENDER SENSITIVITY, CHILD PROTECTION, BULLYING, EARLY PREGNANCY and MOTHERS LOVE.

Synopsis

Seeking shelter from a storm, abandoned young cat Thunder sneaks into a mysterious mansion owned by retired magician Lawrence, aka "The Illustrious Lorenzo".

Lawrence shares his fairy-tale world with many animals and a dazzling array of automatons and gizmos capable of whipping up breakfast while rolling out a spectacular song-and-dance routine.

He soon makes Thunder feel welcome, but Jack the rabbit and Maggie the mouse start plotting to get him kicked out. When Lawrence ends up in the hospital, his nephew tries to trick him into selling the house. But its ragtag inhabitants develop a spooky strategy to defend their home. They turn their house into a haunted mansion, using Thunder as their secret weapon...
