Dear Ma'am,

Greetings!

We, the corporate responsibility arm of DLA Naturals, Inc., Spirulina Filipina Foundation (SFF), specialize in the formulation, production and distribution of quality products with the highest standards and are truly beneficial to all mankind.

We would like to share with you our health awareness program and training programs, which include our product presentation consisting of combined knowledge about achieving good health and how to keep the optimal level of functioning.

Our main goal is to educate people on how to become healthy and be productive in all aspects: family-life, work-life and social-life.

Our foundation puts the human element as paramount in any organization and we would like to partner with you in making your people healthy, able to perform their work with the highest possible level of performance.

In this regard, we would like to request for an appointment with you to discuss how we can work together with regard to the health aspects of your employees.

I hope to hear from you soon and if you have clarifications, please contact the undersigned.

Best Regards,

Lillian J. Gavino
