Dear Dr. Garma,

Greetings!

The Philippine Public School Teachers Association (PPSTA) is currently conducting another intensive nationwide membership campaign, and at the same time updating our members of the current status of the beloved mother association of public school teachers in the country.

As part of our advocacy to reach out to the public school teachers, we have tasked our PPSTA Roving Team to present our newest products and welfare programs, and to update the members of their membership status. They are also tasked to release instant loans to members who wish to avail of our financial assistance within the day.

In order for us to reach more members in your region, we would like to seek your permission and also your endorsement to all divisions under your care and management to have a half day PPSTA Program with your teachers on official time from _____, for us to serve our members better. We would also like to request if you could give us a definite date within the aforementioned dates for each DepEd division of Region 3.

Dear Dr. Garma,

Greetings from the Philippine Public School Association (PPSTA)!

PPSTA is a private non-stock, non-profit organization duly registered with the Securities and Exchange Commission (SEC) and has a secondary license with the Insurance Commission as Mutual Benefit Association. PPSTA has 69 years of solid experience in servicing DepEd hired teaching and non-teaching personnel, and has over 280,000 members all over the 17 regions of the country.

PPSTA provides Life Insurance (Mutual Aid System with a maximum coverage of P120, 000.00), Retirement Benefit (Mutual Retirement Benefit System with hospitalization daily income benefit), and Saring Sikap Loans (maximum loanable amount of P300, 000.00 at 7.5% annual interest rate) to members. PPSTA is also a proud member and duly recognized by international organizations such as the ASEAN Council of Teachers (ACT), and the Education International (EI), Belgium. PPSTA also provides educational assistance program for professional advancement of teachers, and educational loan and insurance for the dependents of the members.

In line with this, we would like to introduce our newest products which were launched this January 2016. The New Mutual Aid System (NMAS) is PPSTA's direct response to the call of our teachers for an affordable and holistic, basic life insurance that would work within their budget. NMAS comes with the following features:

- Monthly contribution of only P120.00 per month;
- Premium payable until age 65;
- Life insurance coverage of P120,000;
- Double life indemnity benefit or P240, 000.00 in case of accidental death.

As the foremost teacher's organization in the country, we would like to be true to our vision and mission in providing optimum insurance, financial assistance, and career advancement. Now, we can truly say that with PPSTA *"Bayani ka gurong Pilipino, ang PPSTA ay kumakalinga sa iyo"*.

With these notes, we would like to ask for your kind confirmation to pay you a visit as a "courtesy call". The purpose of this courtesy call is to discuss our intention to conduct an intensive information and membership campaign in your division on _____.
