RATIONALE

A. Conference of Small Schools: Challenges and Partnerships

1. Private schools - big or small - are **partners** of the government in general carrying out its mandate and specifically of the DepEd in ensuring an educated citizenry;
2. Schools – especially the small ones – are confronted by a lot of **problems and issues**, not just in the curriculum but by their very survival; by the quality of educational programs, goals attainment and work atmosphere;
3. Specifically, there is a need to develop partnerships with the government and among private schools of all sizes, especially the smaller ones who are equally valuable in their roles as educational institutions and professional teachers and staff;
4. To have a common stand on pressing issues like the minimum wage law that could lead to bankruptcy;
5. Attached is a list of some challenges small private schools are confronted with.

B. Conference on Music and the Performing Arts for Basic Education

1. With the K-12 paradigm shift, specifically the changes and focus on the processes and products or outputs, specifically DepEd Order 36, s. 2016, Article II. B. 3.2. But most teachers are not artists; that they cannot teach the Arts well along with its processes and creating products without the proper training and skill; how could they even gauge their pupils without the skill and know how in these specific Arts?
2. That there is a need to provide a regular venue for the discussion and enrichment of – but not limited to – these specific art forms to start with:
 - a) Short Film Making for EsP
 - b) Playing Musical Instrument
 - 1) Ukulele
 - 2) Guitar
 - 3) Rondalla
 - 4) Marimba
 - c) Hand Crafts
 - d) Folk Dance - Tinikling

C. Workshop, Competition and Festival on Playing Music, Dance, Short Film Making, Painting, and Crafts

1. In partnership with professionals, whose lives are dedicated on their specific fields will be tapped to teach teachers and principals on how **to teach and do the arts and create an atmosphere where arts will thrive**. This event will **focus** on Short Film Making for EsP, Painting and Hand Crafts and playing music instruments.
2. This will also provide a venue for **competition** and subsequent **festival**.
