August 25, 2016

LEILANI S. CUNANAN, CESO VI
OIC-Schools District Superintendent
DepEd Division of Angeles City
Pulungbulo, Angeles City

Dear Ms. Cunanan :

Warmest greetings from CITYRUN 2016 Working Committee!

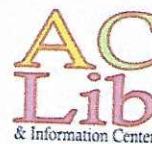

The youth plays a vital role in shaping the future of their community. On how the youth values information has an effect on the total development of a society, which is why right information must always be instilled into the minds of the youth. Hence, such information must always be valued in terms of novelty, relevance and based on its pragmatic sense.

November is Library and Information Services Month. It is also during this month that Population and Development Week is celebrated. Libraries all over the country are the ones tasked to teach and promote the importance and responsible usage of information. Through the Angeles City Library and Information Center, readers are given the right information using the right information resources at the right time. On the other hand, it is the duty of Angeles City Teen Information Center to teach the youth how to be responsible citizens and contribute to the development of their community through various activities and programs that the Center organizes such as fora, lectures, workshops, and symposia among others.

It is for this reason why "**CITYRUN 2016: Takbo para sa Kabataan. Takbo para sa Aklatan.**" has been conceptualized to promote the importance of books and libraries and how the youth should value right information towards the goal of developing one's nation and promote responsible citizenship. This will be held on November 13, 2016 at The Infinity, Angeles City.

The objectives of the CITYRUN 2016 are the following:

1. To gather the youth in one activity where they can bond and spend quality time with their family, friends and loved ones;
2. To teach the importance and responsible usage of information;
3. To promote love for books and reading and the importance of libraries in the development of a nation;
