SIR:

Greetings of Peace and Gratitude!

The Bataan Research Educators Organization, Inc. will hold its **First BREO Regional Seminar** coined on the theme, *"Going Beyond the Basics of Research: Understanding Scientific Writing, Publication and Journal Management"* on October 21, 2017 from 8:00AM to 5:00PM at Crown Royale Hotel and Restaurant, City of Balanga 2100 Bataan, Philippines.

The seminar is primarily intended to boost the participants' home-institutions in their research capability efforts as envisioned by the Department of Education. Further, the seminar aims to: develop awareness on the rudiments of scientific writing, publication, and journal management; determine an acceptable format for publication; and acquire skills in producing and managing academic institution's journal.

This scholarly activity will be attended by school administrators, heads of research and development offices, graduate school deans, academic and program chairpersons, faculty, students, and other research enthusiasts. A registration fee of one thousand pesos (1,000.00) will be charged each participant to cover conference expenses and materials such as seminar kits, certificates, honoraria for the speakers, snacks, and lunch subject to the usual accounting and auditing procedures. Registration shall commence at 7:30AM to 8:00AM at the lobby.

On this note, in behalf of the officers and board members of the organization, it is an honor and privilege to invite you to participate and share us a message on the theme of the seminar. Corollary to this, we are seeking approval and endorsement as well, for the conduct of the **First BREO Regional Seminar**.

For your quick reference, attached herewith is the draft of the invite.

We fervently hope that this request merits a favorable response from you. Thank you very much and may all of us continue to be used for the country's honor, and ultimately, for our Lord's glorification.

Mabuhay po kayo!

Very truly yours,

ARIEL A. BONGCO, Ed.D.
