4 September, 2017

Dr. MALCOLM S. GARMA
Regional Director,
Department of Education
Region III- Central Luzon

Dear Dr. Garma,

Warm greetings!

African proverb "It takes a village to raise a child." This drives the Center for Human Research and Development Foundation (CHRDF) Inc. to work hand on hand with the Department of Education (DepEd) and Commission of Higher Education (ChEd) on promoting quality education to Filipinos. Education inequity is a worldwide problem that can be solved with the help of many. Undeniably, the tireless efforts of our public and private school teachers are a key component in working towards a lasting positive change; an educated world now doesn't seem so far today. The humble vision and initiatives of our organization aspire to contribute to the fulfillment of the meaningful change every Filipino child deserves. We laud the tireless efforts of your office in ensuring a better quality of life for young Filipinos and their families by providing quality, accessible and relevant education.

With this, we would like to request your endorsement of the coming LIVE-OUT national conferences of our organization that aims to bring scholars, researchers, educators, students, professionals and other groups interested in professional development to share their theoretical knowledge, research findings and educational practices with their colleagues and academic community.
