Department of Education  
Region III

Dear Sir,

Zonta International is a global organization of nearly 30,000 members in 1,200 Zonta clubs in 66 countries. "Zonta Says NO to Violence Against Women" is a Zonta International campaign to raise awareness of and increase actions to end violence against women and girls around the world.

Since its inception, the Zonta Club of Pampanga, Philippines, Incorporated (ZPPI) has been implementing different projects to further our advocacy of ending violence against women. We had seminars on Republic Act 9262, otherwise known as the Anti-Violence Against Women and their Children Act to different public and private schools, barangays, and municipalities. Our audience ranges from elementary, highschool, and college kids, barangay officials, to solo indigent mothers. We also had various service projects. We have partnered with several national agencies and private organizations to transform our vision into a reality.

This year, as part of its fund-raising activities and in partnership with the Department of Tourism RO3, the ZCPPI will hold the 1st **Takbo Kontra AbuZo on November 19, 2017 at CDC Parade Grounds, Clarkfield, Pampanga**. This activity aims to educate the participants on the importance of ending violence against women and at the same promote health and wellness among women and girls. Incidentally, it will also promote Clark as a tourist destination and as a staunch supporter of women's rights. Said event is scheduled to kick-start the 18 Days of Activism (November 25-December 12, 2107.) The following are the distances and their respective prices:

16km – Php 750.00  
10km – Php 650.00  
5km – Php 550.00  
1km walk – Php 400.00

In line with this, we would like to solicit your valuable support and assistance in order for us to make this event successful. We are appealing for you to **allocate a portion of your GAD budget for 2017 to sponsor your runners for this activity**. Should you need any additional information please feel free to contact me at **karenanne.guevarra@yahoo.com** and we would be more than willing to assist you on this matter. I shall be making a follow-up on August 23, 2017 to determine whether a meeting will be warranted.

Thank you for your time and patience.

Sincerely,
