Dear Sir,

Warmest Greetings!

We would like to extend to your good office our formal letter of intent to submit our proposal for the Educational Field Trip this SY.2018-2019.

As the President of JNY T&T INC also known as Jenny Travel and Tours, it is our desire to improve the methodology of education to students of all levels. Apart from the classroom and laboratory settings, we believe that educational field trips help them to improve the learning acumen of both the students and teachers.

Our company will give you the best and Educational Fun Trips that will fit to your budget. We say Fun Trips because we have trivias and other activities while on board which will be headed by our Tourist Guide in every bus. Other than that, we guarantee every school the safest travel with our kind of transportations; we also provide a Registered Nurse on board with medicine kit; and of course we have insurance for all the participants. You can see and check other details in the attached proposal.

In line to this, we are respectfully requesting your favorable approval for your endorsement and support on our intention to promote our services by distributing educational tour package proposals among different schools of DepED-Division of Angeles City.

We are looking forward to your positive response on the matter.

Thank you very much!

Sincerely,
