Respectfully referred to all Schools Division Superintendents, the herein letter of Ms. Renalie E. Lamboon, Sales Account Executive, School Channel Department, regarding her invitation to visit and explore Manila Ocean Park, for appropriate action.

BEATRIZ G. TORNO, Ph.D., CESO IV
Regional Director

Your All-Season Holiday Destination

August 15, 2018

Dr. BEATRIZ G. TORNO

DepEd Regional Director (OIC)

Brgy. Maimpis, San Fernando City, Pampanga

Dear Ma'am Torno,

Greetings from the bay!

This is our advocacy program on the awareness, proper care, and education for marine flora and fauna of our country. We provide venues for elementary and high school children to learn more about the diverse creatures under the sea, and most importantly we provide an avenue for them to understand their part in taking care of the marine life.

This is our invitation to visit Manila Ocean Park, as we highlight our Core Attraction: The Oceanarium that has a walk through underwater tunnel. We have a large collection of over 20,000 fish and invertebrates brought close for viewing for the Filipino family especially the school children. We are also the first to launch in the Philippines the Augmented Reality; it is the latest technology when it comes to virtual reality experience. Children will get a chance to interact with MOP very own signature animated Whale Shark, Dolphins, Philippine Eagle and MOP Animated Mermaid. We also have our Sea Lions, Shark and Ray Encounters, Birds of Prey Kingdom, Symphony Evening Show and many others for the children to enjoy and appreciate.

The Manila Ocean Park is a place where children are taught the priceless value and the diversity of the country's marine species. Likewise, they learn to understand the need of conserving them to benefit the future generations.

In this regard, we would like to request for an endorsement in your good office. We appreciate your continues support to Manila Ocean Park.

Thank you and be well.

Ms. Renalie E. Lamboon
