Dr. Beatriz G. Torno, CESO IV
Regional Director
Department of Education Region III

Dear Dr. Torno:

Holy Angel University (HAU) continues to work on its mission to be a venue of intellectual forum and discussion. It is in this light that HAU through the School of Arts and Sciences will be co-hosting the Philosophical Association of the Philippines (PAP) Midyear Conference on November 15-17, 2018.

With the theme "***The Future of Feminism and Philosophy in the Philippines***", it is expected that dialogues on feminism particularly women's liberation and gender equality will be presented in the conference.

The conference will serve as an avenue of intellectual discussions on the theoretical and ideological underpinnings of feminism. Further, the current status and future of feminism in the Philippines will also be discussed.

As Filipino thinkers, we believe that it is high time that a mirror be held up to examine not only the issue of national identity, but rather the issue of sex and gender as well. It is hoped that this conference will contribute in the effort of the government in promoting gender and development awareness in the Philippines.

With this, may we respectfully seek for your endorsement on the project as we are one with you in championing significant advocacies which uplift human dignity.

For inquiries and further information, participants may coordinate with the Philosophical Association of the Philippines (PAP) event secretariat via email at feministfuture2018@gmail.com or through telephone number (+632)524-4611 local 546.

For immediate concerns regarding this request I can be reached at 0923-966-0380.

Thank you for the usual support.

Truly yours:

Dr. Edmond M. Maniago
Dean, School of Arts and Sciences
