Science Education Institute

July 25, 2018

DR. MALCOLM S. GARMA
Director
DepEd Regional Office III
Government Center, Maimpis
City of San Fernando, Pampanga

Dear Dr. Garma:

The Science Education Institute of the Department of Science and Technology (DOST-SEI) is implementing the project **"Capacitating Scholar-Graduates with Pedagogical Skills"** as support to scholar-graduates of the Junior Level Science Scholarship (JLSS) program under RA 10612. The project aims to equip our non-education major scholar-graduates with teaching strategies, learning designs, and classroom management skills that will be beneficial as they become STEM teachers at the secondary level.

This year, we are pleased to provide the said training to scholar-graduates from Region III on **August 31 to September 2, 2018** in Quezon City, specific venue will be communicated as soon as arrangements have been finalized. The training contributes to the mandate of DOST-SEI to develop a critical mass of science and mathematics teachers in the country, which we hope will eventually translate to improved performance of our students.

In this regard, we would like to request support from your office on the issuance of pertinent DepEd Memo or Advisory for the participation of forty (40) RA 10612 scholar-graduates who are non-education major and already teaching in secondary schools in the region as part of their scholarship return service agreement. Attached is the list of scholar-graduates which we have identified in coordination with the DOST Regional Office III and the DOST-SEI Science and Technology Scholarship Division.

Registration to the training is **FREE**. Moreover, DOST-SEI will provide their board and lodging from the afternoon of August 30 to September 2. Participants are requested to bring the following:

- Laptop
- Reference materials related to the subject they teach
- At least one lesson plan they have prepared for the subject

Our staff, Ms. Mary Angelica (Lycka) Palomo, will coordinate with your office regarding this request. Should you have further query, you may contact her at telephone number 837-0057; mobile number 0977 258 7615; or at email address seid.trainingunit@gmail.com.

Thank you and we look forward to your usual support.

Very truly yours,

Jose T. Biyo
