REQUEST LETTER FOR 2018 INTERNATIONAL MIND EDUCATION SPECIALIST TRAINING

Dear Ma'am Cunanan;

Warmest Greetings from IYF! IYF (International Youth Fellowship) was founded in 2001, and with the mindset of **Challenge, Change and Cohesion**, has been leading the way in Youth education. IYF Mind Lectures provide the clear analysis of the heart, desire, self-control, isolation, exchange, wisdom and the world of the heart and proposes solutions to youth who live in a materialistically abundant 21st century, however cannot control their hearts and grieve due to unseen pain and depression, and to those who are confused and experience conflicts in a rapidly changing world with intense competition. The purpose of this event is to revolutionize the idea of leadership by focusing on the importance of having a leader's heart as an educator, being aware of relevant issues in the country which affect our students' education. We believe that addressing these issues will create the caliber of a leader and educator that is best equipped to lead future generations and have a positive impact on society.

I, **Mr. Nam Kyung Hyun - President of the International Youth Fellowship Philippines**, am writing to inform you about an exciting opportunity for **Supervisor, Principals and Teachers in Division of Angeles City**, for Transformational Leadership and personal development education that will in return assist them in molding their lives as mentors and future leaders.
