Dear Dr. Torno,

In response to the call by the Department of Education and Bangko Sentral ng Pilipinas to promote financial literacy, China Bank Savings (CBS) is pleased to announce that our institution has chosen Central Luzon to be the venue for this year's **CBS DepEdVenture 2.0: Alay sa mga Guro**.

Our Bank is seeking official endorsement from the Regional Office for this project. This year's seminar *Charting the Course of your Financial Life* aims to share with participants from the Department of Education practical skills for managing personal finances, building and conserving family assets, making smart investment decisions, and preparing for a comfortable retirement.

The gathering promises to be a half-day of learning and leisure, with prizes, entertainment numbers and fun challenges on tap to reinforce financial wellness lessons among participants. Breakfast and lunch will be served and tokens and seminar kits will be distributed to all participants. CBS will provide tour buses to ferry participants to the venue with a return trip to the pick-up points in the afternoon after the program.

Renato A. Reyes, Region Head of APDS Lending in Central Luzon, will get in touch with your office within the week to seek an appointment to provide background and discuss details of this project.
