Re. REQUEST LETTER FOR 2018 INTERNATIONAL MIND EDUCATION SPECIALIST TRAINING

Dear Ma'am Torno;

Warmest Greetings from IYF! IYF (International Youth Fellowship) was founded in 2001, and with the mindset of **Challenge, Change and Cohesion**, has been leading the way in Youth education. IYF Mind Lectures provide the clear analysis of the heart, desire, self-control, isolation, exchange, wisdom and the world of the heart and proposes solutions to youth who live in a materialistically abundant 21<sup>st</sup> century, however cannot control their hearts and grieve due to unseen pain and depression, and to those who are confused and experience conflicts in a rapidly changing world with intense competition. The purpose of this event is to revolutionize the idea of leadership by focusing on the importance of having a leader's heart as an educator, being aware of relevant issues in the country which affect our students' education. We believe that addressing these issues will create the caliber of a leader and educator that is best equipped to lead future generations and have a positive impact on society.

I, Mr. Nam Kyung Hyun - President of the International Youth Fellowship Philippines, am writing to inform you about an exciting opportunity for Supervisor, Principals and Teachers in DepEd Region 3, for professional and personal development education that will in return assist them in molding their lives as mentors and future leaders.
