Dr. Beatriz G. Torno, CESO IV
Department of Education, Region III
Govt. Center, San Fernando, Pampanga

Dear Dr. Torno:

Greetings of peace!

With our mission to support and develop the young generations for new cinematic works of artistic merit that help enhance human experience, Legendary Superstars and Entertainment Inc. proudly presents **"Ang Kwento Ni Money."** - A comedy film that depicts about a politician "Empoy Marquez" known as "Money Buenamano" who is a Barangay Captain known for his integrity. He is highly respected in the community. But apart from his good morals and reputation, he and his ancestors show the value of frugality by saving old coins from the 1900's onwards. A story of good governance, strong family ties, hard work and trust worthiness. A portrayal on the ill effects of peer pressure, bullying and Filipino customs and tradition.

This movie is aligned to the Filipino values, ASEAN Integration and gender sensitivity that will be appropriate for the Department of Education curriculum and for uplifting the Sustainable Goals 2020.

In this regard, we are requesting your good office to take part in this event by endorsing the movie to your school heads, teachers and students.

The movie provides excellent material for academic learning. We look forward to building a successful partnership with you as we both give service to our youth through quality filmmaking. We deeply appreciate the academe's support of Filipino motion picture industry.
