DIVISION ADVISORY

No. IV, s. 2017

RELEASED

FEB 23 2018

By [Signature]
DepED Angeles City
Division of City Schools

To: Heads of Public Elementary and Secondary Schools
From: OIC-Schools Division Superintendent
Subject: R.O.P Training Services Educational Project
Date: February 23, 2018

This is to inform all concerned that the R.O.P Training Services Educational Development Program has a development project which aims to link the home and the schools to enable them to respond to the special needs of parents and understand the learning process of their children. This project will enhance the basic knowledge of the students in Science and Technology and Computer literacy.

Attached is a letter from Mr. Michael Ong Labial, for reference and information.

MRS. LEILANI S. CUNANAN CEO VI

Office of the School Division Superintendent

Madam / Sir :

In the desire to help the students , particularly those who nurture special interest in the field of Science and Technology. The R.O.P Training Services Educational Development Program has embarked on the kind of development project design to provide broadened perspective between the students as well as their parents on matters regarding Science and Technology. The Program, called the R.O.P Training Services Educational Project, aims to link the home and the schools together to enable them to appropriately respond to the special needs of parents and understanding the learning process of their children.

To promote and develop Science and Computer consciousness in the youth, the program offers to help the secure Science and Technology reference materials and advance computer study. This will enhance in each students the basic know how in science and degree of computer literacy relevant to globalization. While the program aims to help every students attain proficiency in their academic pursuit, it may also reduce the financial burdens of parents who have to cope up with high cost of education particularly on prices of books and tuition fees.

Under the scheme, quizzes shall be administered to all secondary students in both private and public school within the division. Those who will hurdle the test will be given a privilege to avail of some academic books as well as computer references materials.

Here, the participation of the parents is only the miscellaneous expenses in transporting the materials from the origin to the residents of recipient. . . .

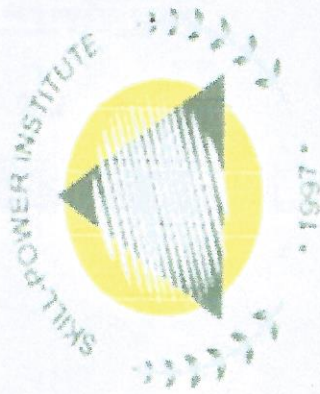

Likewise, the students will be given HANDS-ON ADVANCE COMPUTER TRAINING at SKILL-POWER INSTITUTE ANGELES PAMPANGA

The program is very essential but voluntary and is not compulsory in the part of parents concern.

The universal facts stand the more we learn the greater is our chance for success. Please allow us to thank you in anticipation to your favorable consideration.

Respectfully Yours,

Mr. Michael Ong Labial
