MALCOLM S. GARMA, CESO V
Regional Director
Department of Education
Region III

Dear Dr. Garma:

Greetings!

As per declaration of the International Federation for Home Economics (IFHE) in 1982, every 20th day of March is celebrated as the World Home Economics Day (WHED). For this year, the national celebration will be held on March 17, 2018, 8AM onwards at San Isidro Central School, San Isidro Nueva Ecija with the theme, "Home Economics Literacy- Skills for Healthy and Sustainable Cooking."

The Philippine Home Economics Association (PHEA) being an active member of IFHE, would like to request your good office to allow us to have the above-mentioned celebration. May we invite you also to be our guest during the opening program at 8:00 AM.

The *Edukasyong Pantahanan at Pangkabuyahan* (EPP) and the Technology and Livelihood Education (TLE) and ALS teachers, coordinators, head teachers (HTs), master teachers (MTs), principals and supervisors from both public and private schools are encouraged to participate on the national celebration or hold an event or special activities in relation to the above-mentioned celebration in their respective schools, districts or divisions. We believe that this will provide opportunities for EPP and TLE teachers from both public and private schools to work together for the betterment of Home Economics Education and its related discipline- Industrial Arts and Information and Communication Technology and Alternative Learning System

We hope that this request will merit the favorable approval of your good office.

May God bless you abundantly with good health and more accomplishments!

Very truly yours,

SUSANA V. GUINEA
President
