Dear **Dr. Garma**,

Greetings of Peace!

The **Don Honorio Ventura Technological State University** commits itself to provide an environment conducive to continuous creation of knowledge and technology towards the transformation of students into globally competitive professionals through the synergy of appropriate teaching, research and productivity functions. The university, through the Research and Development Services Office, is mandated to promote scientific researches.

In line with this, the university will host its **2nd Regional Conference on Multidisciplinary Research** with the theme "**Regional Multidisciplinary Research Interactions: A Microcosm of the World of Emerging Collaborative Ideas**" on March 01 to 03, 2018 at the University Hostel and Multi-purpose Hall.

The event aims to host a conference that will convene visionaries, create potential partnerships and collaborative research initiatives around the region. Its primary objective is to open opportunities for researchers to showcase their research expertise in their respective fields.

The event features invited plenary speakers. After the plenary, categorized parallel sessions on Science, Technology and Engineering (STE) and Humanities, Education, Management and Social Sciences (HEMSS) will follow.

We will invite faculty researchers from DepEd and HEIs in Region III to present their researches in the conference. After the presentation, a 15-minute forum will follow to facilitate audience interaction.

In this light, we request your endorsement of the said regional conference.

Please, find attached guidelines for the submission of researches and participation.

Sincere Regards,

ENRIQUE G. BAKING, Ed.D.
SUC President III
