Dear Sec. Briones :

Greetings!

The National Academy of Science and Technology, Philippines (NAST PHL) is the highest recognition and advisory body of the Philippines on matter related to science and technology. Under the Republic Act No. 9107, NAST PHL was mandated to operate and manage the **Philippine Science Heritage Center (PSHC)**, a prime government center that honors Filipino scientists and their significant contributions to science.

The PSHC have interactive and digital exhibits focused on the contributions of Filipinos in science. The PSHC also has programs, activities and workshops that can complement science education and encourage students to pursue STEM-related tracks. Although the PSHC is closed at the moment because of on-going renovations, we are developing and creating new exciting exhibits that will make the school tours more exciting and motivating for the students. Rest assured that we will be re-opened in time for S.Y. 2019-2020.

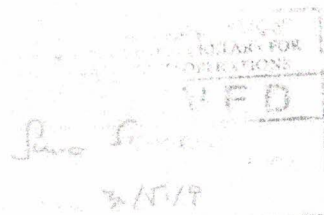

Related to this, we would like to appeal for an **endorsement** from your office to **include the PSHC in the itinerary of the educational tours** being held by the schools. We would like to request for a meeting with you to discuss other possible collaborations. We are hoping for your positive response to our request.

Our staff, Ms. Janelle Reyes and Ms. Liezl Petalio will be calling your office to coordinate for the meeting.

Thank you very much.

Sincerely yours,

RHODORA V. AZANZA
President
