Dear Madam/Sir,

Greetings from the Science Clubbing Movement!

The **Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc.** is a country-wide organization committed in upholding the significance of science clubbing and in promoting public understanding of science, technology and environment. In a span of 48 years, the PSYSC has conducted positive, practical, and realistic activities and programs for elementary and high school students which enhance their academic perspective and their environmental and social awareness.

This year, PSYSC will be conducting the 30th National Youth Science, Technology, and Environment Summer Camp (NYSTESC) with the theme, **SYNERGON: Initializing the Power Protocols**. This event will be held in **LA VIRGINIA HOTEL AND RESORT AT MANGGAHAN, MATAAS NA KAHAY, BATANGAS** from **July 26 to 29, 2019**. NYSTESC is a four-day activity for high school science club members and advisers across the Philippines. It aims to heighten the interest and awareness of science clubbers on a specific field of science through lectures and interactive workshops while developing their interpersonal skills through interactions with students from different cultures. For this year, our topic is **ENERGY SYSTEMS**, the study of how energy is produced, converted, utilized, and stored.

In line with this, we would like to seek your support by helping us in disseminating this information through advisories, or if possible a memorandum to schools in your region. We have attached the materials needed for your reference. The organization is eager to impart this experience to the youth. With your aid, we can train young minds into becoming environmentally-aware and socially active citizens of this country.

We are hoping for your positive response. Please allow us to follow up on this matter on [Date of follow up]. Should you have any questions, please do not hesitate to contact us through the numbers indicated above and look for Ms. Rosalinda Aber (Administrative Officer). You may also approach us through Ms. Karlee Christine Calope at 09950627123.

Thank you very much and more power!

In service of the Filipino Youth
