"SMILES BRIGHT, SERVES RIGHT"

INVITATION LETTER

Dear Sir/Ma'am:

Good day!

To connect international talents cultivation for Chinese enterprises to go out, to establish a human resources platform of the international talents cultivation for "Belt and Road" countries, and to organize cooperative exchanges between Chinese and foreign experts and scholars, government officials, colleges, universities, industries, and enterprises on the cultivation of engineering science and technology, management, and technical talents needed for "Belt and Road" cooperation, and on the industrial layout and talent demand of the "Belt and Road" country. Extensive exchanges between China and foreign countries on issues such as people-to-people exchanges, international cooperation in engineering education and vocational education, and cultivation of international young scientific and technological talents. Explore and build a platform for the cultivation and transportation of talents with shared resources, complementary advantages, and mutual benefit and win-win results. Promote cross-border exchanges and cooperation between the "Belt and Road" countries in the new era. And better implement the "Belt and Road" international young scientific and technological talents cultivation.

World Young Scientist (Wenzhou) Summit 2019 "Belt and Road" International Young Technology Talents Cultivation Forum will be held on 26th to 27th October 2019 in Wenzhou, which is sponsored by the China Association for Science and Technology (CAST) and People's Government of Zhejiang Province, and organized by Yalong Intelligent Equipment Group Co., Ltd. The conference will focus on the training of young science and technology talents in the "Belt and Road" countries, the exchange of Chinese and foreign humanities, Intelligent Industry Institute, and the exchange of new models for talent training in the Silk Road College. For details, please refer to Appendix I "Conference Notice".

We are looking forward to your attendance.
