DIVISION ADVISORY

No. 254, s. 2019

To : Heads of Public Elementary and Secondary Schools

From : The OIC-Schools Division Superintendent

Subject: Local Shellfish Advisory No. 04, s. 2019

Date : November 11, 2019

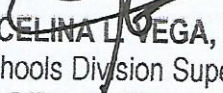

RELEASED

NOV 12 2019

By _____
 DepED Angeles City
 Division of City Schools

With reference to the attached Local Shellfish Advisory No. 04, s. 2019 issued by the Bureau of Fisheries and Aquatic Resources III, the public is advised to refrain from eating, gathering or harvesting, transporting and marketing shellfish and *alamang* from the coastal waters of Pampanga until such time that the toxicity level has gone below the regulatory limit.

For information and guidance.

MARIA CELINA L. VEGA, CESE
 Assistant Schools Division Superintendent
 Officer-in-Charge
 Office of the Schools Division Superintendent

LOCAL SHELLFISH ADVISORY No. 04

Series of 2019

October 30, 2019

Based on the latest results of the Bureau of Fisheries and Aquatic Resources 3 (BFAR 3), shellfish samples collected from the coastal waters of Pampanga are now **POSITIVE** for the Paralytic Shellfish Poison (PSP).

The public is advised to refrain from eating, gathering or harvesting, transporting and marketing shellfish and "alamang" from the above-mentioned areas until such time that the toxicity level has gone below the regulatory limit.

Continuous monitoring of the affected areas is being conducted by BFAR 3 to safeguard public health and to protect the fishery industry.

WILFREDO M. CRUZ
Regional Director
