Dear Dr. Tamayo:

In line with its institutional advocacy on the preservation and conservation of the religious culture and tradition vis-à-vis the nationwide celebration of Library and Information Services (LIS), the University of the Assumption is organizing the First National Conference on Lantern Studies.

Over the last few months, the University of the Assumption Libraries (UA-Lib) and the Research and Planning Office (RPO) in partnership with various organizations and institutions are in the forefront of research and development programs and activities in relation to lantern culture, science and technology specifically but not limited to training on lantern making, technology transfer and module development.

Being the lantern Capital of the Philippines, the City of San Fernando is very proud of its majestic giant lanterns and its lantern industry.

It is in this light that we would like to culminate our efforts in a conference that will promote dialogue and discussion on lantern studies among artists, historians, scientists and educators through the staging of the First National Conference on Lantern Studies which will be held on November 20, 2019, Wednesday, 8:00 am to 4:00 pm at the Serrano Auditorium, City of San Fernando.

Likewise, this will be in conjunction with the launching of the First International Journal on Lantern Studies. All those interested to attend the conference are requested to pre-register through <https://forms.gle/9aAg51zj4yKwrzYaA>. Below are the registration fees for your reference:

Registration Fees	
Free Registration	Excluding meals and certificate of participation (only certificate of appearance/attendance will be given)
Regular/Walk-in	Php 1,500.00 (to cover meals, speakers' honoraria, and certificates of participation and appearance)

In this regard, we would like to invite your TLE teachers and senior high school students to attend the conference and exhibit at the UA Multipurpose Hall. Attached is the schedule of activities for your utmost perusal.

We are hoping for your favorable response to this noble endeavor as your attendance would signify your commitment and oneness with the aim of assuring that the brilliance of this truly Filipino tradition will be radiated.

Sincerely yours,

Roilingel P. Calilung
