M-A. IRELYN P. TAMAYO  
SCHOOL DIVISION, SUPERINTENDENT  
ANGELES CITY

Dear, Sir / Ma'am,

Greetings.

We are pleased to invite your company/institution/association to take part in the 23<sup>rd</sup> Recyclables Collection Event and Collection/Disposal of Selected Hazardous Wastes on November 27, 2019, 8:00 A.M. to 4:40 P.M., at the Nepo grounds (near the ice plant).

The event is organized in partnership by Metro Angeles Chamber of Commerce and Industry, Inc. (MACCII), Clark Development Corporation (CDC), Environmental Practitioners Association (EPA), and the Angeles City Local Government.

The project aims promote the collection and buying of recyclable materials to encourage recycling and materials recovery to address the country's waste problem. The activity will ensure that common household hazardous wastes are properly managed through recycling, reuse, and proper treatment instead of being dumped elsewhere, which poses hazards to the environment and public health.

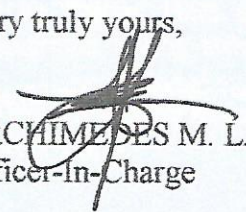

Target participants are enterprises (SMEs), institutional facilities (ambulatory clinics), schools/universities (private/public), subdivisions, (homeowners), and government offices in Angeles City.

The advantage of taking part in this event is the ease of complying with the technical requirements (documents) of the DENR in disposing hazardous wastes. The DENR EMB Region III issues a 1-day clearance of this event for the transport and disposal of hazardous wastes.

The various types of waste materials, service providers, brief guidelines are stated in the attached matter.

Your participation makes stronger the national effort to nurture and care for the environment.

Very truly yours,

  
ARCHIMEDES M. LAZATIN  
Officer-In-Charge

**JOIN AND PARTICIPATE TO HAVE A SAFER HOME AND HEALTHY WORKPLACE**
