Regional Director
Department of Education Regional Office III
City of San Fernando, Pampanga

Dear Director Torno:

The National Committee for Literary Arts (NCLA), one of the 19 national sub-committees of the National Commission for Culture and the Arts (NCCA), will be celebrating the National Arts Month, traditionally known as "Ani ng Sining". With the sub-theme NAMNAMIN (food and art), the celebration will be held on 25-27 February 2019 in your province since Pampanga is known as the culinary capital of the country.

NAMNAMIN: National Arts Month Celebration 2019 will feature various artists from the different regions who will be sharing space in a creative culinary environment. Nearly everything about food will be celebrated through performances, panel discussions, demonstrations, music, exhibits and film showing.

The keynote address will be delivered by National Artist for Literature Virgilio S. Almario. Other well-known writers and National Artists such as Dr. Bienvenido Lumbera and the recently awarded National Artist for Literature Dr. Resil Mojares will also grace the event.

✓ Thus, we would like to request your Office's endorsement of the activity so that school administrators in the region will encourage their teachers and students to attend and participate.

Slots are limited. Registration is free. For more info, kindly text or call Roi at 09054410004. Participants are required to pre-register at <https://goo.gl/forms/F1btDEkuXvGbxswR2>. Walk-ins will not be allowed to attend the event.

We look forward with so much enthusiasm to your positive response. Thank you very much.

More power to you and to your staff.

Very truly yours,

Juliet C. Mallari
