**DIVISION ADVISORY**

No. 47 S. 2018

**To** : Heads of Public Elementary and Secondary Schools

**From** : Schools Division Superintendent

**Subject:** R.O.P. Training Services Educational Development Program

**Date** : February 12, 2019

**RELEASED**

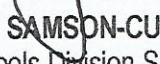

FEB 13 2019

By   
 DepEd Angeles City  
 Division of City Schools

This is to inform all concerned that the R.O.P Training Services Educational Development Program has embarked on the kind of development project designed to provide broadened perspective between the students and their parents on matters regarding Science and Technology.

The program aims to link the home and the school together to enable them to appropriately respond to the special needs of parents and understanding the learning process of their children.

Attached are the letter of Mr. Michael Ong Labial, a certification and a Special Science and Computer Literacy Assessment Test, for the details of the program.

MRS LEILANI S. CUNANAN CESO VI  
OFFICE OF THE SCHOOL DIVISION SUPERINTENDENT  
(ANGELES CITY)

Ma'am / Sir,

In the Desire to help the students particularly those who nurture special interest in the field of Science and Technology. The R.O.P Training Services Educational Development Program has embarked on the kind of development project design to provide broadened perspective between the students as well as their parents on matters regarding Science and Technology. The Program, called the R.O.P Training Services Educational Project, aims to link the home and the schools together to enable them to appropriately respond to the special needs of parents and understanding the learning process of their children.

To promote and develop Science and Computer consciousness in the youth, the program offers to help the secure Science and Technology reference materials and advance computer study. This will enhance in each students the basic know how in science and degree of computer literacy relevant to globalization. While the program aims to help every students attain proficiency in their academic pursuit, it may also reduce the financial burdens of parents who have to cope up with high cost of education particularly on prices of books and tuition fees.

Under the scheme, quizzes shall be administered to all Elementary and Secondary students in both private and public School/s within the division. Those who will hurdle the test will be given a privilege to avail of some academic books as well as the computer reference materials. Here, the participation of the parents is only the miscellaneous expenses in transporting the materials from the origin to the residents of recipient.

Likewise, the students will be given HANDS-ON ADVANCE COMPUTER TRAINING at CLARK COLLEGE OF SCIENCE AND TECHNOLOGY. SAMSONVILLE, DAU, MABALACAT OF PAMPANGA.

The program is very essential but voluntary is not compulsory in the part of parents concern.

The universal facts stand the more we learn the greater is our chance for success. Please allow us to Thank You in anticipation to your favorable consideration.

Respectfully yours,

Mr. Michael Ong Labial
