Dear Madam:

Greetings!

As part of our continuing efforts to grow our training programs for school leaders and teachers, we at Protech Review Center in partnership with JFEG Training Services with PRC Accreditation No. 2018-228 will be having an international seminar-workshop that focuses on global educational trends for teachers and school leaders in 2019. This follows the mandate of the Department of Education that emphasizes the need to improve the quality of education in the country by maximizing the use of resources in the public and private education sectors.

In line with this, we would like to invite you to participate in our event, the **International Seminar-Workshop on Education and Research with Paper Presentations in Pampanga**, which is equivalent to **15 CPD Units**. It will be held on **March 8, 9 & 10, 2019** at the 1st Floor PSP Building, JASA Road, Dolores, City of San Fernando, Pampanga with the theme **"Teaching and Learning in the 21st Century"**.

The aim of the seminar-workshop is to help educators in the 21st century in reinforcing various classroom management strategies to establish an engaging, productive and positive learning environment for students and to present the current trends and issues in research. The participants will benefit from experienced and dynamic resource persons who can share the importance of rules and consequence, procedures and routines, classroom arrangements and learning preparedness, pacing of lessons and differentiated instruction. The courses are also designed to help educators understand the reasons behind students' misbehaviors; to use interventions in maintaining a safe and comfortable climate for increased teacher-student engagement; and to also address all students' behavioral needs.

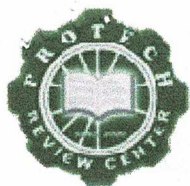

The seminar fee is 4,000Php per person which includes the seminar kit, handouts, meals and seminar certificate with the **PRC CPD Accreditation Number 2018-228-2553**. 5% discount is applied if registration and payment is made on or before February 20. We also have the 5 + 1 group promotion; in a group of six participants, you will only have to pay for five persons.

Attached is our program of activities for your reference. Your favorable attention and consideration are most appreciated and will definitely contribute to the success of Protech Review Center in partnership with JFEG Training Services.
