Dear Sir / Madam:

As part of its continuing effort to promote the benefits of sports, MILO is bringing back the **MILO CHAMP CAMP**, a nationwide school tour, targeting students from Grades 2-6. The key objective is to excite students that sports is FUN, and that apart from the importance of being physically fit, sports teaches values that can be applied in school and everyday life, and the values that help build CHAMPIONS in life.

The **MILO Champ Camp** has two components: the Students' Camp and the Parents' Camp.

- The **Students' Camp** will have qualified coaches that will teach the students the basics of three sports - namely, basketball, volleyball and football/futsal where the students can enjoy a hands-on experience and get them into a more active and healthy lifestyle with a free sample of MILO for all students.
- The **Parents' Camp** will have the parents and/or guardians of these students be invited to attend a special session. Key objective is to open their minds about letting their child participate in sports and its benefits.

We will be putting up **MILO CHAMP CAMP** tarpaulins and banners as well as the sports equipment set up at the covered courts. In line with that, we would like to invite your school to participate in the **MILO CHAMP CAMP 2019** school tour.
