Dear Ma'am/Sir,

Good day!

We are organizing a color fun run event to help our dear brothers and sisters in Sapang Bato, Angeles, Pampanga specifically the Aeta Community.

There are approximately 200 families in the community which includes almost 1000 people and the biggest problem is malnutrition in which the primary need is food. In order to help them in a sustaining term, we would like to provide them an agricultural business (Capital for different crops and fertilizers). This could actually help on their daily need for food and could also be a good source of income.

In lieu of this, we are asking your partnership to help us in accumulating the target number of runners. Together, we could help the Aeta community while we are also molding and exposing the students in providing help to those who are in need. We believe that being exposed to charities is a good eye-opener to these young minds as they enjoy the festivity of running for a good cause.

In return to your partnership we have provided an incentive scheme to every sold registration.

Please refer on the tables below:
