DIVISION ADVISORY

No. 26, s. 2020

To : Heads of Public Secondary Schools
From : The OIC-Schools Division Superintendent
Subject : 5th National Wildlife Quiz Bee
Date : January 30, 2020

Please be informed that the Philippines will be joining the global celebration of the 6th UN World Wildlife Day (WWD2020) with the theme "Sustaining all Life on Earth" on March 3, 2020.

As part of the said celebration, the Department of Environment and Natural Resources – Biodiversity Management Bureau (DENR-BMB) will hold the 5th National Wildlife Quiz Bee intended for Grade 9 students enrolled in public high schools within the provinces of Bulacan and Pampanga on March 3, 2020.

For further queries about the activity, please contact Ms. Lorilie R. Salvador of the Wildlife Resources Division through telefax no. (02) 925-8953 and/or visit the DENR-Biodiversity Management Bureau Facebook page.

Attached is the letter of Ricardo L. Calderon, CESO III, Assistant Secretary for Climate Change and Concurrent Director, BMB, for reference.

Email ad: region3@deped.gov.ph

Dear Director Capulong,

Greetings!

On 03 March 2020, the Philippines will be joining the global celebration of the sixth UN World Wildlife Day (WWD2020). The celebration of the WWD provides unique opportunity to mobilize people around the world to celebrate the many beautiful and varied forms of wild fauna and flora, demonstrate the multitude of benefits that wildlife provides to people, and raise awareness of the urgent need to step up the fight against wildlife crime which has wide-ranging economic, environmental and social impacts. With the theme "Sustaining all life on earth", this year's celebration of the World Wildlife Day encompasses all wild animal and plant species as a component of biodiversity as well as the livelihoods of people, especially those who live closest to the nature.

Among the activities that we lined-up for this year's WWD celebration is the holding of the Fifth National Wildlife Quiz Bee on 03 March 2020. As in the previous years, the contest is intended for High School students of public schools in Metro Manila and nearby provinces. The activity aims to enhance the youth's awareness and appreciation of the richness, importance, status and conservation of all life on earth and gain the youth's support in advocating biodiversity conservation in the country.

In relation to this, we wish to invite Grade 9 students enrolled in public high schools at DepEd Region III to participate in the said Quiz Bee contest. Each interested school may send one representative to the contest. Attached is the registration form including the mechanics of the contest for distribution to various Schools Division Offices at Region III, particularly in Bulacan and Pampanga. The accomplished form should be sent to this Office within the registration period of 06-18 February 2020, through telefax no. (02) 925-8953 or by email at wrd@bmb.gov.ph. The first ten (10) schools from Region III to register on or before the set deadline will be accommodated in the contest.

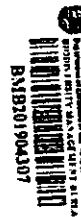

Should you have further queries, please do not hesitate to contact us through the above-mentioned telefax number. You may look for Ms. Lorilie R. Salvador of the Wildlife Resources Division and/or visit the DENR-Biodiversity Management Bureau Facebook page for more information on the Quiz Bee and wildlife facts and information.

We look forward to the DepEd-Region III's usual support in this endeavor.

Thank you and best regards.

Very truly yours,

RICARDO L. CALDERON, CESO III
Assistant Secretary for Climate Change and
concurrent Director, BMB
