Angeles City Division Office

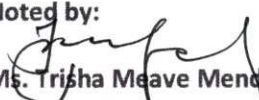

Dear Madam,

As Moderator for Taekwondo representing the Angeles City Sports Office Department and appointed as Supervising official for the upcoming CLRAAA for the Angeles City delegates, we would like to conduct a Taekwondo Workshop for 3 consecutive days on March 13, 14, 15 at SM Telebasagan 2nd floor near SM Appliance. The **ACSTA Grassroots Development program** is a collaboration by the Angeles City Sports office under the Mayor Carmelo Pogi Lazatin Jr. Sports program and the **Philippine Taekwondo Association** and Acknowledge by the Department of Education of Angeles City Division Office.

The Taekwondo Workshop is free to all participating Public School Teachers. Each Public Schools of Angeles City will have one or two representative. The Program consists of proper Court Management, Officiating, Referee Seminar, and a Promotion test. Certificates, Referee Handbook and White belt review Handbook will be given to our Participants for free. The budget of the course will come from the ACSO Department and will be supervised by Angeles City Certified PTA instructors, together with Region 3 Chairman Sir Dauphin Punzalan and Referee Chairman Sir Rodeo Casangkapan. After this workshop the teachers will then be given specific instructions to conduct Taekwondo clubs in their respective schools. We will help supervise these teachers to teach their students the proper training and be able to undergo promotions to upgrade their ranks. Teachers are then required to attend our PTA refresher courses to review and enhance their training skills. All Schools in this program will be under the supervision of the Philippine Taekwondo Association affiliated chapter **Angeles City Sports Taekwondo Academy**.

We are hoping for your favorable response in this request. Thank you and more power!
