CESO V
Regional Director, Region 3
Department of Education

DEAR DR. MALLARI:

Greetings from Manila, Philippines!

We are LEAP, or Literature Educators Association of the Philippines, Inc., a professional organization aimed at empowering literature educators in the country. It is our mission to curate programs and activities that support students and teachers of literature in their various professional needs. One of the activities that align with this mission is the conduct of an international conference on literature education (ICLE). For 2025, LEAP's ICLE explores the theme "Investing in Literature and Language Education as Cultural Capital," emphasizing the intrinsic value of these disciplines in enriching personal, academic, and societal development among various educational stakeholders in basic and higher education.

It is with utmost anticipation that we extend our invitation to the teachers of your division to be participants and presenters in this scholarly event. In line with this, we would like to seek your good office's **endorsement** of the conference, specifically for the teachers in Region 3.

LEAP has been delivering highly successful national and international conference since 2018, bridging teachers and literary scholars in the country. We would like Region 3 teachers to take advantage of the conference speakers and location (CLSU) for this year. We have invited high caliber international and national speakers to help the organization realize its goals and objectives—to deliver quality continuing professional development activity for teachers in basic and tertiary education in the Philippines. We also believe that their participation in the will provide them with a much-needed upskilling and reskilling, particularly considering innovations in the field of language and literature education in the Philippines.

Should you have questions, you may contact us through our email leaphilippines.inc@gmail.com.

We are looking forward to your approval of this request.

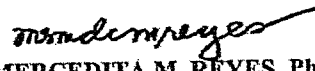

Sincerely,

ERLY S. PARUNGAO-CALLUENG
