Office of the Superintendent
Engr. Edgard C. Domingo, PhD.
30 May 2025

Dear Dr. Domingo,

During the school year 2022-2023, The Rotary Club of Clark Centennial (RCCC) teamed up with the Angeles City Department of Education to hold a Children's Art Competition. The project was an overwhelming success with all Angeles City public schools participating. There were well over 500 pieces of artwork submitted. Cash prizes and certificates were presented to the winning artists in each of the three age categories.

Our club would like to do this again for the 2025-2026 school year. With your approval, we will get to work immediately to start the planning with your appointed project manager and staff. We are confident with the lessons we learned from our previous competition; we can make this one even more successful and become the premiere children's art competition in the Philippines.

I look forward to your approval and working with your staff to make this a successful and wholesome event for your students.

Respectfully,

Romana Deang
President-Elect
