Dear **Ms. Cunanan**,

Warmest Greetings!

Thank you once more for the continuing support you and DepEd have extended to our cause for children's safety.

Safe Kids Worldwide Philippines (SKWP) is a non- government organization working for the prevention of unintentional injuries for children 14 years old and below. We address the issues of road traffic injuries, drowning, falls, burns and poisoning.

As part of the advocacy of SKWP, we celebrate the **National Safe Kids Week** every third week of June as mandated by the 2007 Presidential Proclamation EO 1307. This year, the celebration will be on June 18 to 24, 2017 in cooperation with the Department of Health, Department of Transportation, SM Cares and we trust our longest partner in children safety – the Department of Education.

This being the 10th Anniversary of the National Safe Kids Week, SKWP plans to highlight this advocacy for child safety with our beneficiary schools via the Dance Drama Contest among the students from SKWP beneficiary schools of Pasay, Paranaque, Angeles, Cebu and Quezon City. The theme of this contest is

Kids

**"#Save^Lives at School – Road – Home"**

In line with this, we trust you will favor us with your presence together with your 5 Principals, 15 Walk This Way School Coordinators (3 teachers \* 5 schools), the 60 Senior Young Road Safety Advocates (12 VI students \* 5 schools), the 20 participants of Dance Drama Contest and their 20 parents as we celebrate this 10th National Safe Kids Week on June 22 (Thursday), 2017 at 2 pm at the Sky Dome, SM City North EDSA. May we request also your office to send out a DepEd Memo to all Public Elementary Schools to install 20 kph road sign along the School Zone. Attached herewith is the Mechanics of the Dance Drama Contest.

We hope you will favor us with a positive response and should you have questions or points of clarification please do call me at 09178353530 or your staff to get in touch with Ms. Amy Rolloque and /or Peavy Azas, our Program Officer and her Assistant at telephone number 871-4770.
