Hon. Leonor Magtolis-Briones, Ph. D.  
Secretary  
Department of Education  
DepEd Complex, Meralco Ave.  
Pasig City, Metro Manila

Dear Sec. Briones,

Greetings!

The UP Office of Admissions is currently preparing for UPCAT 2018 which will be administered on October 21 & 22, 2017 in 76 Test Centers nationwide. This is the first regular UPCAT after the full implementation of the K-12 program in the country and we expect over 80,000 applicants this year (there were 88,554 applicants for UPCAT 2015).

Because of the "gap years" brought about by the change in the Secondary Education curriculum, there have been very few UPCAT applicants from public high schools (graduates from earlier years, special cases) in the last 2 years. The University looks forward to having more applicants, and hopefully more qualifiers, from the public schools for UPCAT 2018, thereby ensuring that the UP will continue to have the extensive diversity that is essential for the community and all its individual members to flourish.

In line with this, we would like to ask your Office for assistance as we go on a roadshow to different public schools in the country so that we may tell prospective Senior High School graduates about the University of the Philippines and the UPCAT. We have already given the same talk to various private schools who have invited us for their respective college orientation programs. Thus, we want to reach out to the public schools to make sure that the same information, and whatever advantage such knowledge may provide, can be made available to their students. Specifically, we ask for your help in identifying which schools/districts we can give the talk to for maximum effect, as well as your endorsement to the proper authorities so that we may be given the time and venue to give the UPCAT Orientation to Grade 12 and Grade 11 students in their schools.

The posted deadline for submission of UPCAT 2018 applications for students from public schools in Metro Manila is August 25, 2017 while the submission deadline for students from the provinces is September 1, 2017. We would therefore greatly appreciate any assistance you can provide so that we may be able to schedule and send our representatives to at least 4 public schools: 1 in Luzon (non-MM), 1 in the Visayas, 1 in Mindanao and 1 in Metro Manila by the first week of August.
