Subject: City Wide Earth Hour Initiative

In solidarity with the rest of the world in observance of Earth Hour, which falls on March 24, 2018 (Saturday), we enjoin all city government offices, barangay councils, public and private schools, mall and supermarket managements, market associations, and hospitals, to take part in an initiative to stage Earth Hour a day in advance – on March 23, 2018 (Friday), 8:00 a.m. to 9:00 a.m.

Aside from the usual energy conservation modes (such as turning off of lights and air conditioning units), everyone is encouraged to get out of their offices, places of business, and classrooms for that one hour in the morning of Friday to clean up their surroundings.

Our early effort will add significantly to our city's further contribution to Saturday's Global Earth Hour cause.

City Mayor
