SUBJECT : Undergraduate Scholarships in Science and Mathematics for Teacher Education

Date : April 17, 2023

1. The PEAC-Rex Edukampyon: Iskolar para sa Kinabukasan in partnership with select higher education institutions in Region III will be granting 50 undergraduate scholarships in science and mathematics in teacher education for the S.Y 2023-2024.
2. The scholarship program aims to encourage brightest students to take up teaching science and mathematics as a profession of choice, thus providing critical support for the country's development by ensuring quality science and mathematics education in private secondary schools.
3. The scholarship program will cover living expenses of Php. 40,000.00 per year for the duration of the baccalaureate program with tuition and other school fees.
4. Interested graduating Senior High School Students, preferably in the STEM track and science oriented schools may submit the application form in Angeles University Foundation and/or Holy Angel University not later than May 15, 2023.
5. Attached in this Memorandum the application form.
6. For information and guidance.
